SPORTS INFRA PROJECTS

OUR STORY, OUR WORK & EVERYTHING IN BETWEEN

# Who we are

---

## ABOUT US

Michezo is a team of highly experienced and dedicated sports infrastructure professionals, committed to creating technically sound, commercially viable and beautifully designed sporting experiences.

We specialise in turnkey sports infrastructure, designing and constructing sports federation certified playing surfaces.

An aerial photograph of a soccer field, showing several players in various colored jerseys (red, green, white) scattered across the green grass. The field is partially obscured by a large blue rectangular area on the right side of the image.

A vision built in the name of sport. Sport beyond the game. Sport beyond trophies and legends. Sport beyond wins and losses. Sport beyond stance and technique. Sport beyond mentors and players. Sport beyond it all.

Sport as a culture. Sport as a school of thought. Sport as a way of learning. Sport as a bedrock of a robust world. Sport as a reflection of the human spirit.

# Sport as a way of life.

# Our Capabilities

---

## TURNKEY PROJECTS

We construct/execute sports surfaces and allied works such as lighting, fencing, seating and roofing.

## DESIGN & BUILD

We help clients with design inputs and consult on overall project feasibility; what sports to be included based on location and help with ideas to monetise the same.

## ADVISORY

We develop/co-develop venues at select locations where our customised sports centres are open to the public. Venues are monetised by providing the best standards of coaching to the community and conducting sports events at various levels.

## MAINTENANCE

Sports surfaces installed by us have a long life if maintained properly. We provide annual maintenance support options to all our clients.

# What We Offer

## SPORT, BUILT RIGHT

# Michezo Pools

REDEFINING AQUATIC  
INFRASTRUCTURE ACROSS INDIA

We have launched a new division dedicated to swimming pool infrastructure, backed by our extensive sports expertise and global best practices. We focus on delivering international-standard pools that inspire athletes, institutions, and communities alike.

Our mission is to develop facilities that meet the standards set by leading governing bodies such as FINA, World Aquatics, IOC, Asia Aquatics, and national swimming federations, ensuring world-class quality and performance in every project we undertake.

---

# OUR INVESTORS

---

We at **Michezo Sports** are proud to be the **first sports infrastructure company in India to raise venture capital funding**, marking a major milestone for both our journey and the country's growing sports ecosystem. Our **\$2.5 million pre-Series A round**, led by **Centre Court Capital** with participation from **Rainmatter (Zerodha)**, is more than just an investment, it's a strong vote of confidence in our vision to make **world-class sports infrastructure accessible across India**.

This round also saw an investment contribution from **Vivek Kumar** and **Hima Reddy**

# Harrow International

BENGALURU | MULTISPORT | 2024

---

Michezo Sports Infrastructure is proud to have partnered with Harrow International School Bengaluru to design and build facilities that embody a holistic approach to student development. Recognizing the school's prestigious legacy and commitment to excellence, we went beyond simply fulfilling requirements; we aimed to create a transformative sports experience for every student.

**Football Pitch**  
Artificial Turf  
84,149 sqft

**Athletic Track**  
Spray PU System  
26,414 sqft

**Cricket Pitch**  
Artificial Turf  
3,640 sqft

**Badminton & Squash Court**  
Wooden Flooring  
9,198 sqft

**Multipurpose Sports Area**  
Acrylic Surface  
37,951 sqft

From the outset, we engaged deeply with Harrow International's vision, collaborating closely to conceptualize a space that maximizes both functionality and enjoyment. Before construction even began, we meticulously designed the sports infrastructure to ensure it would seamlessly integrate with the school's ethos.

This forward-thinking approach allowed us to visualize how the various amenities would be utilized, ensuring an enriching environment that promotes physical health, teamwork, and leadership.

# Mahindra University

# Trusted by Those We Build For —————

What was most impressive about Rishi and his team was the in-depth knowledge and experience they have in all sports surfaces and the different options they have on offer based on the requirements, usage patterns, and price points. A person who respects the needs of the sporting community will always ensure high-quality standards and reliable service - this is Rishi and Michezo.

- VIVEK KUMAR

FOUNDER: CENTRE FOR SPORTS EXCELLENCE (CSE)

At the RBTA centre when we decided to build seven professional level tennis courts, we wanted to ensure that we had the best team executing this for us. We at the RBTA centre are grateful to the wonderful team led by Rishi for not only delivering the international quality of professional standard of tennis courts with exacting requirements, but also giving us the entire benefits of a high quality and experienced execution team. Thank you team Rishi and Michezo.

- ROHAN BOPANNA

FOUNDER: RBTA & FORMER WORLD NO 1

Being a Khelo India Project, we had very specific requirements and high standards of quality and working with the Michezo team we were able to meet the benchmarks that we set. The sports facility at Periyar University is a World Athletics Quality track with Michezo's work.
